# SPECIAL ANNOUNCEMENTS 2023

## Official opening of the WIN RESOURCE CENTER

WIN (WIN Womens Interactive Network) is an organization that reduces poverty and builds gender equity by providing networking, career and business mentoring, and education to women experiencing economic hardship. We do this through mentorship built on collaboration and the commitment to personal and professional development. Your support creates the opportunity for those experiencing economic hardship to be able to STEP UP & STEP AHEAD by providing key knowledge that drives a quality, core education and directs them to transition to a better, happier career path.

The Heart of WIN, our onsite facility will house all things WIN:

- ♥ A location dedicated to providing affordable, appropriate professional clothing for individuals in need.
- ♥ A location dedicated to the ongoing personal & professional development of those we serve through mentorship and education.
- ♥ A location dedicated to providing a safe place to utilize technology and services to STEP UP & STEP AHEAD in their professional lives.
- ♥ A location dedicated to the community to use our conference room for business meetings and small events to raise the awareness of the good work of WIN and WIN-Spirations.

**Stay tuned for the official invite to the Open House**
