

OUR PROJECTS BENEFIT WOMEN
EXPERIENCING FINANCIAL HARDSHIP

Our purpose is to reduce poverty and build gender equity by providing networking, professional mentoring, and education to women experiencing economic hardship.

PARTICIPANTS: WIN will connect participants with an individual in the desired field to offer advice and assistance as it relates to personal and professional growth. Participants will receive a minimum of 1-year support and connection to professional experts in the areas of business and career mentoring, resume review and writing services, personal finance education and support, education about homeownership, and assistance in locating relevant resources such as insurance, professional attire, along with services such as career advancement opportunities.

All projects are charitable in nature and fall in line with section 501(c)(3) tax-exempt status for our sponsors, donors and grantors.

GOAL:

Support partner nonprofits and organizations

GOAL:

Mentor women through our WIN-Spirations program

GOAL:

Provide networking and education opportunities for women experiencing financial hardship

GOAL:

Provide monthly programming specific to the needs of sponsored participants for personal and professional development.

GOAL:

Program participants will participate in assessments, coaching and training to identify their job-fit in the market.

OUR PROJECTS BENEFIT WOMEN
EXPERIENCING FINANCIAL HARDSHIP

Who are the women we will serve?

We will serve women who are at an economic disadvantage due to one or more of the following reasons:

1. Women experiencing homelessness or poverty.
2. Women in transition or crisis.
3. Women having difficulty advancing in their careers.
4. Women experiencing hardship due to the covid-19 crisis.
5. Women needing alternative options for personal and professional development.
6. Women who are interested in furthering their education, on any level.

How will participants come to us and parameters for participation:

- Referrals from our partner organizations and nonprofits (see listings below)
- Those identified through our vast social network
- Submitted applications via our website

WIN-Spiration efforts will be focused in economically challenged areas in the WPA area specifically Pittsburgh and Washington, PA. While we will not turn anyone away, we will make available as many scholarships as possible to participate in the programming at little to no-cost based on our grant-funding and donations.
