ADDITIONAL PERKS OF WIN

WIN & GIN members have first access to things WIN and may take advantage of all our tools that help us to support so many men and women facing economic hardship.

- **NETWORKING**
 - The WIN & GIN offers an opportunity to meet men & women whom are successful in all aspects of business, from the corporate ranks to entrepreneurs. Every meeting and event allows ample opportunity to hone networking skills while enjoying the company of business-minded individuals.
- **EDUCATION**
 - WIN encourages professional development through its programming. Each WIN & GIN event includes speakers who will teach you new leadership, marketing, financial planning and interpersonal skills. Participating on any committee also provides a great opportunity to learn new skills while forming closer relationships with other members.
- **MENTORING**
 - WIN recognizes the power and importance of mentoring as it relates to personal and professional growth. Members have the opportunity to connect with other professionals throughout our networks.
- **PUBLICITY**
 - Promotional opportunities exist on many levels. Members may also promote their business, become a featured member locally and/or nationally and create a profile in our member directory.
- **DEVELOPMENT**
 - Personal and professional development provides the largest room for growth with our members and ranks very high in our programming, networking and educational events.
- **BUSINESS RESOURCES**
 - All members have access to professionals in all areas of business. Discounted services provided by our partners and sponsors, as well, as supporting members assist our members with developing their businesses, starting businesses, human resources, legal services, and so much more.
- **IMAGE**
 - Yearly image consultation to help polish your professional image; analyze your wardrobe, hair and makeup – all to help you make a great impression.
- **CAREER PATH**
 - Tools are available to our members that provides you with critical decision-making information to help you shape your future.
- **RESUMES**
 - Resume review and writing services are available to all members of the WIN and GIN.
- **COACHING**
 - Our career counseling services help you to determine objectives and goals for your current/future career.
- **OPPORTUNITIES**
 - Organizations recognize the power of networking when looking for qualified candidates. We help to facilitate these opportunities.
